Information

***Island tours:** VUMI® provides a total credit of USD \$300 for choosing a tour on any of the islands visited. These are described in the cruise app and may also be booked through the app.

Meals: The passenger may select the restaurant and schedule of their choice for breakfast, lunch and dinner.

The ship offers other entertainment options for guests. These are described in the cruise app.

Punctuality: The ship is required to depart at the indicated time, in accordance with maritime traffic regulations set by the different ports.
